„Ternitz ist seit vielen Jahren – weit über die Stadtgrenzen hinweg – als Sportstadt bekannt. Zahlreiche Sportvereine bringen abwechslungsreiche Aktivitäten in das Leben der Ternitzerinnen und Ternitzer und sorgen neben der sportlichen Fitness auch für gesellschaftliche Treffpunkte in unserer schönen Heimat.

Das Vereinsleben ist ein essentieller Bestandteil unserer Gesellschaft, bei dem sich sowohl Jung als auch Alt austauschen, gemeinsam fit bleiben und wahren Zusammenhalt leben können. Es ist mir eine besondere Freude, unseren Mitbürgerinnen und Mitbürgern, ein sehr breitgefächertes Sportangebot bieten zu können. Neben unzähligen traditionellen Sportveranstaltungen finden ebenso immer wieder neue Events Einzug in Ternitz. Mit der Inline-Skaterhockey EM ist das nächste sportliche Highlight garantiert und es erfüllt mich mit Stolz, dass die Eisarena in Ternitz erneut Austragungsort für ein hochkarätiges Sportspektakel sein wird.

Ich wünsche allen Teilnehmerinnen und Teilnehmern sowie den Organisatorinnen und Organisatoren eine gelungene und erfolgreiche Inline-Skaterhockey Europameisterschaft! Den zahlreichen Fans wünsche ich ebenfalls faszinierende und mitreißende Spiele. TEAM GREAT BRITAIN

TEAM INFO

The BISHA Team GB have now competed in the IISHF U19's European Championships for the last 23 years and have been proud to represent Great Britain in this prestigious event. We have come up against some of the strongest hockey teams in Europe from Germany, Switzerland, Denmark, Austria, Netherlands, Croatia, and Israel. But are now the reigning U19's European Champions, having won gold in the 2022, which was held in the UK.

Having participated in 24 of the U19's European Championships, the GB U19's team sit joint 3rd place on the all-time medal table, alongside Denmark who also have a gold medal! Over the 24 tournaments GB have an impressive haul of 1 Gold medal, 5 Silver medals and 10 Bronze medals, totalling 16 medal placings in 24 tournaments.

In 2022 the hockey world saw the GB Team take on the Swiss, German and Austrian teams in our own barn and dominate the tournament, losing only 1 out of 6 games and to go on and beat the Germans 3 times in a single tournament! In 2023 we travelled to Austria to defend our European Crown but met stiff opposition and had to concede our crown and accept a fought bronze medal.

2025 saw the GB team travelling to Ternitz, Austria for the U19's IISHF European Champions. With Austria picking up 3rd place, the GB Team, would have to wait another year to compete with the finest in European hockey and replace some pride in the GB Team. But as we prepare for our return trip to Ternitz, Austria. With a new look team and a confidence that is high, we travel in August with a renewed passion and desire to place in the medals this year.

We are looking forward to playing in a now familiar location and competing with Germany, Austria and the Swizz for the title of IISHF U19's European Championships 2026.

TEAM INFO

The women's inline skaterhockey section of THC Torpedo Donaustadt, competing under the name Torpedo Gfrasta, officially burst onto the national scene when they joined the Austrian Championship for their inaugural season in 2007. They stunned the league by finishing 2nd place in their rookie season. This finish secured them an immediate qualification spot for the European Cup in 2008.

In 2008 and 2009 they finished the league as Austrian champions dethroning the dominant serial champions Red Dragons Rollmöpse from Altenberg.

In 2022, after a pause of 12 years, the Torpedo Gfrasta were officially refounded. From 2022 until 2023 they established a partnership with the Streetgirls Linz for the participation in the Austrian Championship. Since 2024 they participate under the name of Torpedo Gfrasta again. The team is really looking forward to competing in the European Cup after 18 years again.
